Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Law Enforcement Interoperable Communications Expansion and Upgrades Project in Fiscal Year 2022. The entity to receive funding for this project is Union County, New Jersey located at 10 Elizabethtown Plaza Elizabeth, NJ 07207.

The \$1,270,000 amount would establish a new radio site to enhance interoperable communications coverage for law enforcement in the western portion of Union County and to make equipment upgrades to the existing three radio sites to enhance overall performance of the expanded network. Importantly, the project would increase coverage in New Providence, Berkeley Heights, and Summit, communities where there are gaps in coverage and capacity limitations in the existing network.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tom Malinowski
Member of Congress
